Trixie on the M.B.C. Addressing the BIG questions. Like whether anyone achieved success before the change of life.

Now THERE was a TRANSFORMATION....

So why start now?

Discussion of her latest novella immediately disintegrated into a lot of inane gas-letting about relationships.... Bags and slags at their summer cottage.... The (too) long chataugua....

Will Toots go on to a perfectly satisfactory marriage? Who gives a shit....

That wasn't the question for her rival gas-bag.... For her it all came down to the love of a good SLAG....

Birdies twerping in the background.... Hubbies farting.... Speech slurring as they got tanked and yanked.....

Then again.... If it was by P/Bigge Shitte Allwood....

Bruce was stable, a tall oak....

Really?! How so?

Bruce.... Dr. Trixie Sane.... Who the fuck were these things? Johnny was clueless.

They didn't exist. Not ever....

What rights did Lady West-Inn's cookie fairies have? They baked along with her Peak-Freaks at temperatures in excess of 40% centigrade. Their organ meat cooked.... Their
